[Legend: ○ = required, × = not required, ▲: must be submitted by applicable individuals]

*No. 3 should be prepared and submitted by the accepting faculty member.

*For application eligibility screening, Nos. 1–5 should be submitted to the Pharmacy

Student Affairs Section at least one month before the application deadline.

4. Application method

Prior to application, individuals should be in contact with the prospective faculty member who would serve as the advisor and obtain informal consent for acceptance.

Once the informal consent of the prospective faculty advisor is received, **please submit the set of application documents in person or by mail (must be received) to the prospective faculty advisor within the specified application period.**

5. Selection method

Selection and acceptance / rejection decisions will be made after a review of the documents. Successful applicants will be notified in writing.

6. Research period

As a general rule, the research period for research students is six months or one year. Please follow the instructions of the prospective faculty advisor.

7. Expenses required for research students

- (1) Examination fee: 9,800 yen
- (2) Enrollment fee: 84,600 yen (estimated)
- (3) Tuition fee: 29,700 yen (estimated) × (research period (number of months))

*Tuition fees will be collected in two periods: first semester (April–September) and second semester (October–March).
