

An Associate Professor, Lecturer, or Assistant Professor position in the research field of
Medical Pharmacy at Kanazawa University, Japan.

The Faculty of Pharmacy at Kanazawa University strives to enhance education and research in pharmacy. To strengthen the research organization promoting the research project "Visionary Health Care Research" listed in the pharmaceutical field, we invite applications for one position as an Associate Professor, Lecturer, or Assistant Professor in the research field of Medical Pharmacy according to the following guidelines.

1. Position

Associate Professor, Lecturer, or

Assistant Professor, 5-year fixed-term contract (further renewal is possible).

Examination Matters in making decision on the approval for reappointment

- Educational activity status and activity of research guidance for students
- Research activities, including publications, conference presentations, and research funding status

2. Job description

(1) Education

Lectures of general education courses of bachelor's programs. Lectures, seminars, practical training, pre-training for clinical practice, clinical practice and graduation research at School of Pharmacy and School of Medical and Pharmaceutical Sciences. Specialized education and research guidance for students at Graduate School of Medical Sciences. You may be required to teach classes in English.

(2) Research

Research in the field of medical pharmacy that aims for near-term clinical application through experimental studies.

3. Scheduled starting date of employment

As early as possible on and after September 1st, 2026

4. Qualification requirements

- Applicant must have a doctoral degree at the latest by the time when the appointment begins.
- Applicant should have an outstanding research record in the field of medical pharmacy.
- Applicant should be passionate about teaching at the undergraduate and graduate (master's and doctoral) levels.
- Applicants must have a pharmacist license valid in Japan.

5. Incidental matter

- If the appointee holds the qualifications for a practitioner faculty, appointee will be made as a practitioner

faculty position.

- Upon appointment, the appointee will be affiliated with the Laboratory of Clinical Pharmacy and Health Care Sciences, which operates under a departmental grouping system, and will be expected to engage in interdisciplinary research in collaboration with other laboratories.

6. Required documents

- (1) Curriculum vitae (A4 or US letter size with an attached photo and showing e-mail address and academic society you belong to)
- (2) Summary of previous research (free format within 3 pages of A4 or US letter size)
- (3) Plan and commitment to education in pharmaceutical sciences and research (free format within 2 pages of A4 or US letter size)
- (4) Achievement list (A4 or US letter size)
 - Publications: Classify them into original papers, reviews, books, and list them in order of publication year (Mark the original papers for which reprints are to be submitted.). List the names of all co-authors in the order of publication, underline the applicant, and put a star mark on the corresponding author. For reference, the number of citations and the latest Impact Factor of the published journal should be added. For non-reviewed publications, this should be clearly indicated as “non-reviewed.”
 - Conference presentations: List only invited lectures at academic conferences, symposiums, etc. in chronological order.
 - Acquisition status of research funds: Divide the research funds obtained over the past 10 years into the following categories: Grant-in-Aid for Scientific Research (KAKENHI), grants for public research other than KAKENHI, and research funds by companies and foundations, etc. List the funding name, name of the research project, duration, and grant amount. Also, clearly state the principal investigator or co-investigators.
 - Educational achievements: List the educational experience at universities and other educational and research institutions, and the research guidance experiences at graduate schools, etc.
- (5) PDF files of 5 most significant research articles
- (6) The names, affiliations, addresses, phone numbers, and email addresses of two referees

Applicants may be asked to come to Kanazawa University for interviews. Applicants must bear the expenses incurred in that case. Personal information is protected by the relevant Japanese law.

7. Deadline for application

Documents must arrive by 5:00 p.m. (JST) on Thursday, April 30th, 2026.
